

MEMBERS

OUR MEMBERSHIP

Food SA is feeding connections to help industry grow, unite, lead and sustain South Australia's food industry into the future.

As an industry association Food South Australia is membership driven and offers industry an exceptional range of benefits to help grow the value of each company and industry as a whole.

Food South Australia membership is available in multiple service levels for companies exporting internationally or domestically, and would like to connect to communications and events.

Our well established Food South Australia offices in Adelaide, Japan and China can offer expert support to SA food companies exporting into and expanding in these markets.

Members of Food South Australia include large, medium and small sized companies from across the state, representing over 270 food manufacturers and service providers.
