OUR MEMBERSHIP

Food SA is feeding connections to help industry grow, unite, lead and sustain South Australia's food industry into the future.

As an industry association Food South Australia is membership driven and offers industry an exceptional range of benefits to help grow the value of each company and industry as a whole.

Food South Australia membership is available in multiple service levels for companies exporting internationally or domestically, and would like to connect to communications and events.

We also offer membership for service providers who may wish to make a connection with the SA food industry and be front of mind with Food South Australia members.
